SUMMARY

Product-focused senior full-stack engineer in Kissimmee, FL, open to remote roles with US employers. Eight years from IT infrastructure and web development into owning end-to-end delivery for B2B manufacturing, e-commerce, and client platforms - UI through API to deploy.

React, Next.js, Node.js, TypeScript, Python, and PostgreSQL on Vercel and AWS. Strong in migrations, SEO-driven product work, stakeholder collaboration, and AI-assisted engineering (reviewed and owned like any other code).

Recent: senior full-stack engineer at Forza (Jan 2025 to May 2026), rebuilding ForzaBuilt.com and RuggedRed.com on React/Astro (99% Lighthouse, 28 MQLs in four months, record inbound lead). Built and operate Nexrena client-ops platform (part-time). Led US Shopify storefront for VITO Fryfilter (+285% YoY traffic, 2.8% conversion, testimonial automation still in production).

TECHNICAL SKILLS

- Frontend: React, Next.js, Astro, TypeScript, JavaScript, HTML/CSS, Tailwind CSS
- Backend: Node.js, Express, Python, REST APIs, authentication, Prisma
- Data: PostgreSQL
- Deploy & hosting: Vercel, AWS (EC2, S3, CloudFront), CDN tuning, Core Web Vitals
- AI & workflow: Cursor, OpenAI API integrations, Git, code review
- Other: Shopify (Liquid), WordPress, Elementor

EXPERIENCE

Senior Full-Stack Engineer

Forza | Remote | Jan 2025 - May 2026

- Led product-focused full-stack delivery for a multi-brand industrial adhesives manufacturer
- Rebuilt ForzaBuilt.com and RuggedRed.com on React/Astro; WordPress migration with 99% Lighthouse desktop and 28 MQLs in four months post-launch
- Shipped interactive product tools (calculators, selectors) and procurement-focused IA on Vercel
- Owned cross-brand web architecture, release cadence, and production deployments with design and leadership
- Employee of the Month (September 2025)

Lead Full-Stack Engineer

Nexrena | Remote | Apr 2024 - Present

- Part-time alongside full-time roles; sole builder of custom platform (Next.js, Node/Express, PostgreSQL/Prisma) for CRM, project management, invoicing, and client delivery
- REST API integrations and AI-assisted intake workflows; internal tooling connected to live system data
- Replaced multiple SaaS tools with a single owned operations stack

Full-Stack Web Developer

VITO Fryfilter, Inc. | Orlando, FL | Dec 2023 - Sep 2024

- Sole US technical hire; owned Shopify storefront (shop.vitofryfilter.com), custom front-end, and CDN integrations
- Built store on Liquid, HTML/CSS/JS: product quiz, calculator, and SEO product pages
- Store traffic +285% YoY, orders +40%, 2.8% conversion rate (Jan-May 2024 vs 2023)
- Automated testimonial pipeline tied to company CDN; Google reviews grew from 8 to 40+ without manual upkeep

Full-Stack Web Developer & SEO Specialist

Villa Marketers | Remote | Mar 2022 - Mar 2024

- Part-time. Technical WordPress development and on-page SEO across a multi-client vacation rental portfolio
- Maintained 11+ WordPress sites at 99%+ uptime (Elementor, Yoast, performance tuning, plugin management)
- First-page Google rankings for high-value vacation rental keywords via content architecture and internal linking

Help Desk Admin / Junior Developer

Furniture Packages USA | Kissimmee, FL | May 2020 - Dec 2023

- Full-time. Company network infrastructure, help desk, and early marketing automation
- Implemented MailChimp campaigns and newsletter systems; built internal web tooling
- Primary technical contact translating business requirements into deployed software for a small team

EDUCATION & CERTIFICATIONS

- UCF Coding Boot Camp - Full-Stack Web Development (Certificate, Aug 2019)
- University of Central Florida - Cybersecurity Program (Oct 2019 - Mar 2020)
- Valencia College - Business Certificate (2015 - 2016)

LANGUAGES

English (native) | Spanish (limited working proficiency)

LINKEDIN RECOMMENDATIONS

Hruthika Gangoni Vanjari

Salesforce & NetSuite Specialist - CRM-ERP & integrations

"Nico is one of the most intelligent people I've worked with - his technical skills are impressive, and what sets him apart is patience and communication. He understands problems before solving them and makes complex web development approachable even across teams."

Randy Bakes

Head of Marketing - Forza

"You will NOT FIND a Web Developer with a more positive 'can do' attitude than Nico. He reported to me for over a year - knowledgeable on user-facing and backend tools, always reachable, and he gave his best consistently without drama."

Sydney Saathoff

Digital Media Specialist - Forza

"Nico is extremely easy to work with - a hard worker who will work overtime to get things done. We made an amazing website together; he is kind hearted and patient."

Muhammad Tayyab Hassan

Digital Marketing - VITO Fryfilter

"I highly recommend Nicholas. Friendly and supportive, always willing to help with valuable input. His front-end development, design, and digital marketing skills are outstanding."
